Variable Rate Cash ISA

principality.co.uk

Summary Box

What is the interest rate?	**2.40% Tax-free^ each year/AER† (Variable)** (See the meanings of 'Tax-free' and 'AER' below this summary box.) Interest is calculated each day on the money in the account. It will be paid on 6 April every year unless the account was opened from 1 April to 5 April, in which case accrued interest will be carried over for the first year.
Can Principality change the interest rate?	• Yes, variable interest rates can go up or down. • If you have £100 or more in the account, we will give notice of any reduction in interest rates at least 14 days before the change takes effect. • For more information, see the section Changes to interest rates in our Savings Terms and Conditions.
What would the estimated balance be after 12 months based on a £1,000 deposit?	£ 1,024.00 This is based on no further money being put in or taken out of the account and no change to the interest rate. This example is for guidance only, to show you what a future balance could look like. It does not consider your individual circumstances.
How do I open and manage my account?	• To open this account you must have an existing Principality account which matures or reverts into this account. You must also be 18 or over and be a UK resident to open a cash ISA (see your Variable Rate Cash ISA account terms.) • You must keep at least £1 (the minimum balance) in the account. • You cannot pay in more than the ISA Allowance each tax year. The ISA Allowance for the current tax year (2026/2027) is £20,000. You can only pay your ISA Allowance into one Principality cash ISA in the current tax year. • You can transfer unlimited amounts from ISAs from previous tax years, as these are not part of your current year's ISA Allowance. • You can manage the account in branch, at an agency, by post or with a secure online profile with Principality.
Can I withdraw money?	• Yes, you can make a withdrawal, close or transfer your ISA at any time. • This is a flexible ISA. This means you'll be able to take money out of it and replace that money before the end of the same tax year, without the replacement contributing to your annual ISA Allowance.
Additional information	• Service charges and costs may apply to the account. These are set out in our Tariff of Charges. • In certain circumstances we may refuse an instruction for using an account. These circumstances are set out in our Savings Terms and Conditions. • The tax treatment of your savings depends on your individual circumstances and may change in the future. This is set by HM Revenue and Customs (HMRC). Further information can be found at gov.uk/individual-savings-accounts/how-isas-work • The interest rates quoted above were correct on **12/11/2026.**

Account Terms

These account terms, along with the summary box and our Savings Terms and Conditions, apply to your Variable Rate Cash ISA (your ISA).

As well as conditions relating to your savings account, the Savings Terms and Conditions also has an ISA Terms section, which includes more details on:

- Opening an ISA
- Account limits
- Replacement subscriptions
- Additional permitted subscriptions (APS)
- Transferring an APS or your ISA
- If something happens to you
- Closing your ISA

If there is any difference between these account terms and the Savings Terms and Conditions, these account terms will apply.

All ISAs are regulated by the UK Government. If any part of these account terms is different to the ISA Regulations (Individual Savings Accounts Regulations 1998, as amended) the ISA Regulations will apply unless the Regulation is optional, in which case, the account terms will apply.

Opening your ISA

To open and use your ISA you must be 18 or over and either:

- be a UK resident, meaning that you have your permanent home in the UK (except the Channel Islands or the Isle of Man); or
- be a Crown employee (employed by the Government and serving overseas) or married to or in a civil partnership with a Crown employee.

We can stop accepting new applications at any time.

You can only open a cash ISA in your name. Someone who has power of attorney to act for you or is a court of protection deputy can also open an account in your name.

An ISA cannot be opened as a joint account or by a trustee.

Putting money into your ISA

The first payment into your ISA, must be at least £1 and may be a payment transferred from another ISA. If we do not receive it or a transfer in request:

- within five business days of your ISA opening; and
- by 5pm on 5 April in the tax year your ISA opened; we may close it.

What is a tax year?
A tax year runs from 6 April to 5 April the following year.

You can make payments into your ISA using cash, cheques or electronic payments from another UK bank or building society account, or a Principality account in your name, if allowed by that account.

This ISA has a variable interest rate. This means the rate can go up and down. This is explained in the Changes to interest rates section of the Savings Terms and Conditions.

We work out the interest on the money in your ISA daily and pay it on 6 April each year unless your ISA was opened between 1 April and 5 April, in which case any accrued interest will be carried over for the first year..

The interest can be

- paid into your ISA;
- paid into another Principality account in your name; or
- paid by electronic payment into another UK bank or building society account in your name, if the interest is £5 or more.

Any payments into your ISA after the 5 April 2027 will be outside your 2026/2027 ISA Allowance. They will count towards your Allowance in the 2027/2028 tax year.

Taking money out of your ISA

You can take money out of your ISA at any time without losing interest.

For more information, see the Taking money out of the account section of the Savings Terms and Conditions

Account limits

You must keep at least £1 (the minimum balance) in the account. You cannot pay in more than the ISA Allowance each tax year. The ISA Allowance for the current tax year 2026/2027 is £20,000. You can only pay your ISA Allowance into one Principality cash ISA in the current tax year. You can transfer unlimited amounts from ISAs from previous tax years, as these are not part of your current year's ISA Allowance.

Meanings of interest terms

^ **Tax-free** means UK Income Tax and Capital Gains Tax is not deducted from the interest you earn. This depends on your individual circumstances, and may change in future.

† **AER** stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest were paid once each year on the whole balance, including previous interest payments.
