Account Terms

These account terms, along with the summary box and our Savings Terms and Conditions, apply to your Online Bonus Triple Access account (the account).

If there is any difference between these account terms and the Savings Terms and Conditions, these account terms will apply.

Opening the account

This account is available online only. You can only open it at [principality.co.uk](https://www.principality.co.uk) and manage it using our online service, Your Account.

To open and use this account, you must be 16 or over and either:

- a UK resident, meaning that you have your permanent home in the UK (except the Channel Islands or the Isle of Man); or
- a Crown employee (employed by the Government and serving overseas) or married or in a civil partnership with a Crown employee.

You'll need proof of your address and your identity.

You can only open one of the current issue number of Online Bonus Triple Access in your name.

The account cannot be opened as a joint account, or by someone acting on your behalf (for example, a trustee or someone who has power of attorney to act for you).

This account has limited availability. We can stop accepting new applications at any time.

Putting money into the account

The first payment into the account must be at least £1. If we do not receive the payment within five business days of the account opening, we may close it.

You can make payments into the account using an electronic payment from another UK bank or building society account in your name.

You must keep at least £1 (the minimum balance) in the account.

If your account reaches £1,000,000, you cannot pay any more money in.

The account has a variable interest rate. This means that the rate can go up and down. This is explained in the Changes to interest rates section of the Savings Terms and Conditions.

We work out the interest on the money in the account daily and pay it into the account on 1 January each year.

Taking money out of the account

The account must have a linked UK bank or building society account in your name to which electronic payments can be made. Payments must be made to this linked account.

You can take money out of this account up to three times in any calendar year.

For more information on taking money out of the account, see the Savings Terms and Conditions.

Closing the account also counts as taking money out.

Unless we reduce the interest or bonus rates, you can't take money out of the account again until the start of the next calendar year.

If we reduce the interest or bonus rates, you can take money out of the account one more time or close the account within 30 days from the date we tell you about the interest or bonus rate change.

Closing the account

As closing the account counts as taking money out, you can only close the account if you have not already taken money out three times in the current calendar year. If you have, you cannot close the account until the start of the next calendar year.

If we reduce the interest or bonus rates, you can use your extra withdrawal to close the account. If you close the account, you won't lose interest.

You must close the account using our online service, Your Account.

We may close the account if the money in the account is below the minimum balance.

12 Month Unconditional Bonus

The interest rate you will receive for the first 12 months the account is open will be the variable rate of 2.75% plus the variable bonus rate of 1.80%.

After 12 months, the bonus rate will no longer apply and the interest rate you receive will be the variable rate without the bonus. This variable rate is currently 2.75%.

We will contact you to remind you 14 days before this happens.
